- Pre- & Probiotic Complex
- 100% Vegan and natural content
- Dermatologically tested and safe to use*
- Allergen-free fresh scent*
- Sustainable & Eco-conscious**
- Made in Denmark

Fresh clean healthy skin

If you are looking for an effective facial cleanser to remove make-up, daily grime and impurities to balance the skin's microbiome for optimal health, ReFresh Cleansing Gel is the solution for you. Containing pre- and probiotics to stimulate and nurture while strengthening the skin's natural barrier function, it leaves your face feeling clean, refreshed and moisturised.

ReFresh Cleansing Gel is a microbiome-friendly cleanser containing documented, high-quality, natural and active ingredients including hydrating and strengthening amino acids, anti-inflammatory quince leaf and calming arnica flower extract. Vitamin B3 works to stabilise the epidermis, the outermost layer of skin.

Ideal for sensitive and acne-prone skin

Easy use

Gently massage ReFresh Cleansing Gel into the skin and rinse with lukewarm water.

For daily use. Suitable for all skin types.

Balanced healthy skin

Reboot your skin to its natural, healthy balance with our microbiome-friendly formula.

Powerful ingredients

Dermatologica tested high-quality actives, natural ingredients with unrivaled pre- and probiotic stimulating effects.

Eco-conscious

Nature-friendly, supporting a sustainable lifestyle for greener living. 100% Vegan and Cruelty-free.

Simplicity in choice

Skincare for all skin conditions, skin types, ages, or genders. Easy-to-use and multifunctional. Authentic, high-end beautiful skin-care products at affordable prices.

*100% natural preservatives. Free of harmful chemicals. Silicone-free (replaced by natural oils) and no allergens in the formula from the 26 known fragrance allergens declared by EU to avoid. Natural vegetable replacement for silicone. Our DHHB filter in our sunscreen qualifies for EU UVA-PF/SPF recommendation and is considered ocean and coral-reef protective sunscreen filters.

** Choosing Rebiome skincare, you make a positive difference protecting your skin – and our planet. You help support our environment reducing carbon footprint.

Powerful Key ingredients with multipurpose properties

Key ingredients	Description
Vitamin B3 (Niacinamide) 1%	Moisturizing, calming and anti-aging, vitamin B3 has prebiotic stimulating effects and helps to control sebum production and stimulate collagen production.
Amino Acids 0,8%	A highly effective AHA (Alpha Hydroxy Acids) moisturiser formulated with NMF (Natural Moisturising Factor) amino acid components to aid skin cell renewal. With prebiotic stimulating effects.
Arnica Mexicana Flower Extract 0,5%	A regenerating, soothing antioxidant with a high concentration of flavonoids, which stimulate the skin repair process. Ideal to reduce and calm irritation.
Quince Leaves Extract 0,5%	Ideal for sensitive skin, it helps to reduce inflammation and protect against and calm irritation.
Allantoin 0,10%	Improves skin moisture retention and provides a soothing effect. Helping to minimise the signs of aging and skin damage, it protects the skin and speeds up wound healing. With prebiotic stimulating effects.
