

#4ReEnforce – Face Cream

5.5 pH	50 ml e	96% Natural
--------	---------	-------------

Rebiome ReEnforce face cream improves elasticity and firmness while combatting fine lines.

Benefits

- Power Moisturizing
- Reduce Fine Lines
- Improve Firmness

Rebiome family highlight:

- Microbiome-friendly formula
- Pre- & Probiotic Complex
- 100% Vegan and natural content
- Dermatologically tested and safe to use*
- Allergen-free fresh scent*
- Sustainable & Eco-conscious**
- Made in Denmark

Multipurpose face cream

A powerful face cream should solve a multitude of skin issues. This face cream contains an ultra-strong combination of ingredients. Working to restore the skin's vitality, Rebiome ReEnforce counteracts sensitive, dry, dull, uneven skin, smoothing the surface and reducing hyperpigmentation, the first signs of ageing and damage caused by pollution. Extremely high on skin microbiome integrity, the rebalancing formula leaves skin looking and feeling its radiant best.

Balance and boost your skin microbiome

Rebiome ReEnforce delivers long-lasting moisture while reducing the appearance of wrinkles and minor imperfections. Fensebiome™ peptide stimulates the skin's natural probiotic activity. A active combination of antioxidants, vitamins B and E, microalgae, Argireline® peptides, green tea, almond oil and more leave skin exceptionally smooth, hydrated and protected.

Easy use

Apply 1-2 pumps to the face and neck after serum.

For daily use. Suitable for all skin types.

Balanced healthy skin

Reboot your skin to its natural, healthy balance with our microbiome-friendly formula.

Powerful ingredients

Dermatologica tested high-quality actives, natural ingredients with unrivaled pre- and probiotic stimulating effects.

Eco-conscious

Nature-friendly, supporting a sustainable lifestyle for greener living. 100% Vegan and Cruelty-free.

Simplicity in choice

Skincare for all skin conditions, skin types, ages, or genders. Easy-to-use and multifunctional. Authentic, high-end beautiful skincare products at affordable prices.

*100% natural preservatives. Free of harmful chemicals. Silicone-free (replaced by natural oils) and no allergens in the formula from the 26 known fragrance allergens declared by EU to avoid. Natural vegetable replacement for silicone. Our DHHB filter in our sunscreen qualifies for EU UVA-PF/SPF recommendation and is considered ocean and coral-reef protective sunscreen filters.

** Choosing Rebiome skincare, you make a positive difference protecting your skin – and our planet. You help support our environment reducing carbon footprint.

#4ReEnforce – Face Cream

Rebiome

5.5 pH | 50 ml e | 96% Natural

Powerful Key ingredients with multipurpose properties

Key ingredients	Description
Argireline 4%	A widely used peptide for the first wrinkles and a safer topical alternative to Botox, this unique peptide has proven its worth at effectively preventing the formation of fine lines and wrinkles.
Natural hyaluronic acid (HA) substitute 2%	This marine-derived active provides immediate and long-lasting moisture to the skin, improving the appearance of wrinkles in the same way as hyaluronic acids.
Vitamin B3 (Niacinamide) 2%	Moisturising, calming and anti-aging, vitamin B3 helps to control sebum production and stimulate collagen production. It has prebiotic stimulating effect to support the skin's natural flora.
Olive squalene 1,5%	A highly nutritional and active oil known for its powerful antioxidant effects that help protect the skin against sunlight, it absorbs both toxins and heavy metals to protect against environmental stressors. Squalene also moisturises and softens the skin.
Micro algae active 1,5%	Natural marine active that counteracts dark circles and optimises the skin. Protective against pollution and other environmental stressors, it maintains and restores the integrity of the skin.
Natural extracts from Chicory root 1%	Pre- and probiotic skin microbiome-friendly extracts derived from the root of the chicory plant. A strong stimulant with a prebiotic approach and probiotic effect, it supports the growth of lactobacilli and blocks the invasion of e.g. fungi, boosting the anti-microbial effect and strengthening the skin's microbiota barrier.
Fensebiome™ amino acid peptide 1%	A powerful peptide with a prebiotic approach and probiotic effect. Stimulates the skin's natural probiotic activity, boosting its defenses by favouring beneficial bacteria that improve skin immune response and physical barrier integrity. The unique microbiome-stimulating active helps to rebalance skin health for optimal wellbeing.
Quora Noni 1%	A superior and powerful microbiome bioactive that protect and balance the skin, along with prevention of skin barrier disruption; active pore size reduction; regulation of sebum and skin imperfections including oily, acne-prone skin conditions.
Retinol 1%	Accelerates the renewal of the epidermis, improves the appearance of the skin and has a rejuvenating effect, reduces small wrinkles, improves firmness and elasticity
Marine active 0,5%	A key ingredient that helps strengthen skin while restoring its natural suppleness, radiance and beauty, this powerful, anti-wrinkle active stimulates the production of structural skin proteins, significantly increasing collagen production.
Green tea 0,5%	A powerful and active natural ingredient derived from the leaves of green tea plants, it is rich in stabilised polyphenols (>95%) to effectively combat signs of aging and stress and protect skin against the elements.
