Microbiome-friendly formula  
Pre- & Probiotic Complex  
100% Vegan and natural content  
Dermatologically tested and safe to use\*  
Allergen-free fresh scent\*  
Sustainable & Eco-conscious\*\*  
Made in Denmark

### The go-to moisturizing serum for anti-ageing

Over time, the skin loses its vitality and elasticity, showing signs of ageing and even stress. Packed with high-performance hyaluronic acids proven to retain water to keep skin looking plump, Rebiome ReBoost is a supplementary treatment dedicated to balancing the skin's microbiome, preventing and smoothing fine lines and wrinkles and evening out the surface of the skin. The anti-ageing formula instantly gives the skin a fresh, natural and youthful appearance.

### Balance and boost your skin microbiome

Rebiome ReBoost provides instant moisture and a superior anti-ageing effect to skin. It contains Fensebiome™ peptide to stimulate the skin's natural probiotic activity and improve its barrier function. Cell-boosting hyaluronic acid, anti-wrinkle Argireline® peptide and energising Glycoin® put Rebiome's ReBoost in a league of its own.

### Easy use

Apply a few drops on a clean face. Massage until it penetrates.

For daily use. All skin types.

#### Balanced healthy skin

Reboot your skin to its natural, healthy balance with our microbiome-friendly formula.

#### Powerful ingredients

Dermatologica tested high-quality actives, natural ingredients with unrivaled pre- and probiotic stimulating effects.

#### Eco-conscious

Nature-friendly, supporting a sustainable lifestyle for greener living. 100% Vegan and Cruelty-free.

#### Simplicity in choice

Skincare for all skin conditions, skin types, ages, or genders. Easy-to-use and multifunctional. Authentic, high-end beautiful skincare products at affordable prices.

\*100% natural preservatives. Free of harmful chemicals. Silicone-free (replaced by natural oils) and no allergens in the formula from the 26 known fragrance allergens declared by EU to avoid. Natural vegetable replacement for silicone. Our DHHB filter in our sunscreen qualifies for EU UVA-PF/SPF recommendation and is considered ocean and coral-reef protective sunscreen filters.

\*\* Choosing Rebiome skincare, you make a positive difference protecting your skin – and our planet. You help support our environment reducing carbon footprint.

# #2 ReBoost – Hyaluronic Acid Booster

**Rebiome**

6.0 pH | 15 ml e | 99% Natural

## Powerful Key ingredients with multipurpose properties

Key ingredients	Description
<b>Argireline 5%</b>	A widely-used peptide for the first wrinkles and a safer topical alternative to Botox, this unique peptide has proven its worth at effectively preventing the formation of fine lines and wrinkles.
<b>Amino Acids 5%</b>	A highly effective AHA (Alpha Hydroxy Acids) moisturiser formulated with NMF (Natural Moisturising Factor), amino acids play an important role in maintaining the skin's moisture levels. Aiding cell renewal, this active ingredient has a prebiotic stimulating effect to support the skin's natural microbiota.
<b>Hyaluronic Acids (dosage 1,75 % (low) + 0,25% (high))</b>	A natural humectant, hyaluronic acid preserves the elasticity and firmness of the skin by retaining moisture, giving a softer feel and more youthful appearance.
<b>Glycoin 1,5%</b>	Myrothamnus flabellifolia is a plant species found in the rocky regions of Southern Africa. Commonly known as the resurrection plant for its ability to quickly revive dead leaves when exposed to water, it contains anti-aging, anti-inflammatory, cell-boosting, energising, vitalising and nourishing properties which positively effect the skin microbiome.
<b>Fensebiome™ Amino Acid Peptide 1%</b>	A powerful peptide with a prebiotic approach and probiotic effect. Stimulates the skin's natural probiotic activity, boosting its defenses by favouring beneficial bacteria that improve skin immune response and physical barrier integrity. The unique microbiome-stimulating active helps to rebalance skin health for optimal wellbeing.

\*Pre- and probiotic Stimulant Actives

### Ingredients
