Cell protection and intense nourishment in any setting

Banish dull and dry skin with Rebiome ReJuvenate. Formulated to intensely hydrate the skin, smoothing fine lines and reducing wrinkles, the multipurpose serum is a fountain of youth for the skin. It kickstarts collagen production and protects and strengthens the skin's cells to visibly improve appearance, also around the delicate eye area.

Balance and boost your skin microbiome

Rebiome ReJuvenate provides superior skin hydration and skin cell protection to slow the signs of aging, smoothing fine lines and reducing wrinkles around the eyes. Fensebiome™ peptide stimulates natural probiotic skin activity while multifunctioning plant-based peptides, soothing cornflower water and a host of natural ingredients with documented effect help boost collagen production.

Easy use

Apply 3-5 drops of Rebiome ReJuvenate to clean skin before moisturising.

For daily use. Suitable for all skin types.

Balanced healthy skin

Reboot your skin to its natural, healthy balance with our microbiome-friendly formula.

Powerful Key ingredients with multipurpose properties

Key ingredients	Description
Cornflower Floral Water 5%	An effective plant extract that soothes tired, swollen or irritated eyes.
Collagen-boosting Peptide 4%	A trifunctional combination of active peptides and proteins that work to restore and boost collagen production in mature skin to leave it feeling and looking healthy and youthful.
Fensebiome™ Amino Acid Peptide 1%	A powerful peptide with a prebiotic approach and probiotic effect. Stimulates the skin's natural probiotic activity, boosting its defenses by favoring beneficial bacteria that improve skin immune response and physical barrier integrity. The unique microbiome-stimulating active helps to rebalance skin health for optimal wellbeing.
Natural Ectoin 1%	This ultra-powerful natural amino acid molecule with a prebiotic approach and a probiotic effect protects against stressors, stopping and preventing cell damage and repairing and regenerating aged, stressed-out and irritated skin. Ectoin offers a multitude of benefits: cell protection, anti-pollution and -inflammation, wrinkle improvement, long-term hydration and skin barrier repair, whitening and lightening.
Caffeine 1%	A powerful and skin-stimulating anti-irritant containing vitamin B3, caffeine is beneficial in reducing cellulite, calming skin and reducing inflammation. It has anti-aging benefits and helps to diminish dark circles around the eyes. An active with prebiotic stimulating effect to support the natural skin microbiota, it also helps calm sunburned skin and reduce acne.
