

## #3 ReOptimize – Eye Cream

5.5 pH	15 ml e	95% Natural
--------	---------	-------------

Rebiome ReOptimize eye cream reduces puffiness and dark circles around the delicate eye area while smoothing fine lines and hydrating the skin.

### Benefits

- Reduce Puffiness
- Reduce Dark Circles
- Softens Fine Lines

### Rebiome family highlight:

- Microbiome-friendly formula
- Pre- & Probiotic Complex
- 100% Vegan and natural content
- Dermatologically tested and safe to use\*
- Allergen-free fresh scent\*
- Sustainable & Eco-conscious\*\*
- Made in Denmark

### Formulated to improve the delicate skin around the eyes

Rebiome ReOptimize is no ordinary eye cream. Formulated to target puffiness, dark circles and fine lines, the nourishing cream is packed with natural ingredients with documented ingredients results, firming the skin around the eyes to leave it revitalised.

### Balance and boost your skin microbiome

Rebiome ReOptimize eye cream helps to lock in moisture in the delicate skin around the eyes. Firming and reducing the appearance of wrinkles and dark spots, it is enriched with a battery of active ingredients. Antioxidants, vitamins, Eyedeline™ plankton, Eyeseryl® peptide, olive squalane, hyaluronic acid, camellia oil and the powerful Fensebiome™ peptide work in unison to stimulate natural probiotic skin activity.

### Easy use

Dab a small amount of Rebiome ReOptimize onto the fine lines around the eye area. The gentle formula can also be applied to the lash line.

For daily use. Suitable for all skin types.

#### Balanced healthy skin

Reboot your skin to its natural, healthy balance with our microbiome-friendly formula.

#### Powerful ingredients

Dermatologica tested high-quality actives, natural ingredients with unrivaled pre- and probiotic stimulating effects.

#### Eco-conscious

Nature-friendly, supporting a sustainable lifestyle for greener living. 100% Vegan and Cruelty-free.

#### Simplicity in choice

Skincare for all skin conditions, skin types, ages, or genders. Easy-to-use and multifunctional. Authentic, high-end beautiful skincare products at affordable prices.

\*100% natural preservatives. Free of harmful chemicals. Silicone-free (replaced by natural oils) and no allergens in the formula from the 26 known fragrance allergens declared by EU to avoid. Natural vegetable replacement for silicone. Our DHHB filter in our sunscreen qualifies for EU UVA-PF/SPF recommendation and is considered ocean and coral-reef protective sunscreen filters.

\*\* Choosing Rebiome skincare, you make a positive difference protecting your skin – and our planet. You help support our environment reducing carbon footprint.

# #3 ReOptimize – Eye Cream

5.5 pH | 15 ml e | 95% Natural

## Powerful Key ingredients with multipurpose properties

Key ingredients	Description
<b>Camellia oil 3%</b>	Containing a large number of natural acids, this powerful antioxidant nourishes the skin while improving blood circulation and stimulating new cell growth. It also increases skin elasticity, helping to relieve inflammation and slow the signs of aging.
<b>Glycoin 2%</b>	Myrothamnus flabellifolia is commonly known as the resurrection plant for its ability to quickly revive dead leaves when exposed to water, it contains anti-aging, anti-inflammatory, cell-boosting, energising, vitalising and nourishing properties which positively effect the skin microbiome.
<b>Natural Olive Squalane 2%</b>	A highly nutritional and active oil known for its strong antioxidant effects that help protect the skin against sunlight, it absorbs both toxins and heavy metals to protect the skin against environmental stressors. Squalane also softens the skin.
<b>High efficacy Marine Plankton Extract 1%</b>	An active ingredient derived from the rocky shores of Tenerife, it improves circulation and strengthens cells, reducing the appearance of bags and dark circles, smoothing lines and giving a youthful appearance.
<b>High efficacy Acetyl Tetrapeptide-5 1%</b>	An active ingredient derived from the rocky shores of Tenerife, it improves circulation and strengthens cells, reducing the appearance of bags and dark circles, smoothing lines and giving a youthful appearance.
<b>Natural Extracts from Chicory Roots 1%</b>	Pre- and probiotic skin microbiome-friendly extracts derived from the root of the chicory plant. A strong stimulant with a prebiotic approach and probiotic effect, it supports the growth of lactobacilli and blocks the invasion of e.g. fungi, boosting the anti-microbial effect and strengthening the skin's microbiota barrier.
<b>Fensebiome™ Amino Acid Peptide 1%</b>	A powerful peptide with a prebiotic approach and probiotic effect. Stimulates the skin's natural probiotic activity, boosting its defences by favouring beneficial bacteria that improve skin immune response and physical barrier integrity. The unique microbiome-stimulating active helps to rebalance skin health for optimal wellbeing.
<b>Micro algae active 0,5%</b>	Natural marine active that counteracts dark circles and optimises the skin. Protective against pollution and other environmental stressors, it maintains and restores the integrity of the skin.
<b>Natural Vitamin E 0,5%</b>	With natural antioxidant effects, vitamin E is regarded as the most important skin-protective vitamin, helping to ensure skin is soft and smooth while reducing irritation.
<b>Allantoin 0,30%</b>	Helping to minimise the appearance of aging and damage, it is an effective and protective anti-irritant that speeds up wound healing. It has a prebiotic stimulating effect to support the skin's natural microbiota.
<b>Hyaluronic Acid 0,1%</b>	It is a natural humectant, and it preserves the elasticity and the firmness of the skin, with its moisture retention properties, giving skin a softer feel and more youthful appearance.

\*Pre- and probiotic Stimulant Actives
