

ReSurface – Exfoliating Face Mask

5.0 pH | 100 ml e | 98% Natural

Rebiome ReSurface is a peeling and exfoliating mask packed with enzymes to effectively slough and stimulate the skin, reactivating its natural barrier function to leave skin clear and soft.

Benefits

Enzymatic Peeling
Natural Exfoliating
Quartz Crystal Minerals

Rebiome family highlight:

Microbiome-friendly formula
Pre- & Probiotic Complex
100% Vegan and natural content
Dermatologically tested and safe to use*
Allergen-free fresh scent*
Sustainable & Eco-conscious**
Made in Denmark

Plump and polished

Regenerate the skin's barrier function and reactivate skin cells for soft, beautiful and glowing skin with Rebiome's ReSurface. The gentle, exfoliating face mask removes dead cells and impurities from the most delicate skins.

Balance and boost your skin microbiome

Rebiome ReSurface is a fast track to radiant skin. The gentle formula with a mild, fresh fragrance exfoliates the skin thanks to a potent combination of ingredients that leave skin nourished and smooth.

Fensebiome™ peptide helps boost skin immunity while enzyme-rich pineapple and micronized quartz exfoliate gently. Chamomile calms the skin and regenerative vitamin E helps to accelerate skin barrier renewal.

Contains 3 x 15 ml bottles of live probiotics

Easy use

Apply a thin layer of Rebiome ReSurface to clean skin. Leave to work for 5-10 minutes before rinsing with lukewarm water. Finish with a moisturising serum.

Use once or twice a week. Suitable for all skin types. For external use only.

Balanced healthy skin

Reboot your skin to its natural, healthy balance with our microbiome-friendly formula.

Powerful ingredients

Dermatologica tested high-quality actives, natural ingredients with unrivaled pre- and probiotic stimulating effects.

Eco-conscious

Nature-friendly, supporting a sustainable lifestyle for greener living. 100% Vegan and Cruelty-free.

Simplicity in choice

Skincare for all skin conditions, skin types, ages, or genders. Easy-to-use and multifunctional. Authentic, high-end beautiful skin-care products at affordable prices.

*100% natural preservatives. Free of harmful chemicals. Silicone-free (replaced by natural oils) and no allergens in the formula from the 26 known fragrance allergens declared by EU to avoid. Natural vegetable replacement for silicone. Our DHHB filter in our sunscreen qualifies for EU UVA-PF/SPF recommendation and is considered ocean and coral-reef protective sunscreen filters.

** Choosing Rebiome skincare, you make a positive difference protecting your skin – and our planet. You help support our environment reducing carbon footprint.

Powerful Key ingredients with multipurpose properties

Key ingredients	Description
Apricot Oil 5%	Nourishes and soothes the skin. Rich in vitamin A, the mild oil has a high content of oleic and linoleic fatty acids, making it one of the safest oils to use on even the most sensitive skins.
Enzymes from Pineapple 4%	Bromelain is an enzyme extract derived from the stems of pineapples. It has a natural peeling effect on skin to improve vitality and glow.
Pure Quarts Exfoliator from Crystal Minerals 3%	Derived from crystal minerals, this natural exfoliator is micronized into very fine particles to promote the regeneration of the skin, softening and beautifying as it works.
Roman Chamomile Flower Extract 2%	Soothing, protecting and repairing the skin, Roman Chamomile is considered an invaluable ingredient with antioxidant properties. Roman Chamomile flowers contain a high concentration of flavonoids that have a long list of qualities including reducing inflammation, protecting the skin against external stressors, fighting against free radicals which accelerate cellular aging and stimulating the skin's natural repair process.
Fensebiome™ Amino Acid Peptide 1%	A powerful peptide with a prebiotic approach and probiotic effect. Stimulates the skin's natural probiotic activity, boosting its defences by favouring beneficial bacteria that improve skin immune response and physical barrier integrity. The unique microbiome-stimulating active helps to rebalance skin health for optimal wellbeing.
Natural Vitamin E 0,2%	Containing essential fatty acids important to the prevention of early signs of aging and loss of elasticity, nourishing argan oil with tocopherols has excellent skin protective, softening and anti-drying properties.

*Pre- and probiotic Stimulant Actives
